Verses of the Senior Monks 2.11

The Book of the Twos

Chapter Two

Mahācunda

It’s from eagerness to learn that learning grows;

when you’re learned, wisdom grows;

by wisdom, you know the goal;

knowing the goal brings happiness.

You should frequent remote lodgings

and practice to be released from fetters.

If you don’t find enjoyment there,

live in the Saṅgha, self-protected and mindful.
