Ten Factored Path

At Sāvatthī.

“Mendicants, sentient beings come together and converge because of an element: those of wrong view with those of wrong view … wrong purpose … wrong speech … wrong action … wrong livelihood … wrong effort … wrong mindfulness … wrong immersion … wrong knowledge … wrong freedom …

Those who have right view … right purpose … right speech … right action … right livelihood … right effort … right mindfulness … right immersion … right knowledge … right freedom with those who have right freedom.”

(Tell all in full for the past, future, and present.)
