16. The End of Relishing

The Interior and the End of Relishing

“Mendicants, the eye really is impermanent. A mendicant sees that it is impermanent: that’s their right view. Seeing rightly, they grow disillusioned. When relishing ends, greed ends. When greed ends, relishing ends. When relishing and greed end, the mind is said to be well freed.

The ear … nose … tongue … body … mind really is impermanent. A mendicant sees that it is impermanent: that’s their right view. Seeing rightly, they grow disillusioned. When relishing ends, greed ends. When greed ends, relishing ends. When relishing and greed end, the mind is said to be well freed.”
