Five Threats

“Anuruddha, when ladies have five qualities, when their body breaks up, after death, they are reborn in a place of loss, a bad place, the underworld, hell. What five? They kill living creatures, steal, commit sexual misconduct, lie, and consume intoxicants of beer, wine, and liquor. When ladies possess these five qualities, when their body breaks up, after death, they are reborn in a place of loss, a bad place, the underworld, hell.”
