The Chapter on One Individual

170

“One individual, mendicants, arises in the world for the welfare and happiness of the people, out of sympathy for the world, for the benefit, welfare, and happiness of gods and humans. What one individual? The Realized One, the perfected one, the fully awakened Buddha. This is the one individual, mendicants, who arises in the world for the welfare and happiness of the people, out of sympathy for the world, for the benefit, welfare, and happiness of gods and humans.”
