Text

294–295

“It is impossible, mendicants, it cannot happen that someone who has engaged in good verbal … good mental conduct could, for that reason alone, when their body breaks up, after death, be reborn in a place of loss, a bad place, the underworld, hell. But it is possible that someone who has engaged in good verbal … good mental conduct could, for that reason alone, when their body breaks up, after death, be reborn in a good place, a heavenly realm.”
