Text

314

“Mendicants, when an individual has wrong view, whatever bodily, verbal, or mental deeds they undertake in line with that view, their intentions, aims, wishes, and choices all lead to what is unlikable, undesirable, disagreeable, harmful, and suffering. Why is that? Because their view is bad. Suppose a seed of neem, angled gourd, or bitter gourd was planted in moist earth. Whatever nutrients it takes up from the earth and water would lead to its bitter, acerbic, and unpleasant taste. Why is that? Because the seed is bad. In the same way, when an individual has wrong view, whatever bodily, verbal, or mental deeds they undertake in line with that view, their intentions, aims, wishes, and choices all lead to what is unlikable, undesirable, disagreeable, harmful, and suffering. Why is that? Because their view is bad.”
