Chapter Three

316

“One individual, mendicants, arises in the world for the detriment and unhappiness of the people, against the people, for the harm, detriment, and suffering of gods and humans. What one individual? Someone with wrong view, whose perspective is distorted. They draw many people away from the true teaching and establish them in false teachings. This is one individual who arises in the world for the detriment and unhappiness of the people, against the people, for the harm, detriment, and suffering of gods and humans.”
