The Chapter on Individuals

52

“These two individuals, mendicants, arise in the world for the welfare and happiness of the people, for the people, for the benefit, welfare, and happiness of gods and humans. What two? The Realized One, the perfected one, the fully awakened Buddha; and the wheel-turning monarch. These are the two individuals who arise in the world for the welfare and happiness of the people, for the people, for the benefit, welfare, and happiness of gods and humans.”
