Numbered Discourses 6.107

11. Triads

Greed

“Mendicants, there are these three things. What three? Greed, hate, and delusion. These are the three things. To give up these three things you should develop three things. What three? You should develop the perception of ugliness to give up greed, love to give up hate, and wisdom to give up delusion. These are the three things you should develop to give up those three things.”
