14. Good

Good

“Mendicants, I will teach you what is good and what is not good. Listen and apply your mind well, I will speak.”

“Yes, sir,” they replied. The Buddha said this:

“And what, mendicants, is not good? Wrong view, wrong purpose, wrong speech, wrong action, wrong livelihood, wrong effort, wrong mindfulness, wrong immersion, wrong knowledge, and wrong freedom. This is called what is not good. And what is good? Right view, right purpose, right speech, right action, right livelihood, right effort, right mindfulness, right immersion, right knowledge, and right freedom. This is called what is good.”
