Numbered Discourses 10.137

14. Good

Beneficial

“I will teach you the beneficial and the harmful. … And what is the harmful? Wrong view, wrong purpose, wrong speech, wrong action, wrong livelihood, wrong effort, wrong mindfulness, wrong immersion, wrong knowledge, and wrong freedom. This is called the harmful. And what is the beneficial? Right view, right purpose, right speech, right action, right livelihood, right effort, right mindfulness, right immersion, right knowledge, and right freedom. This is called the beneficial.”
