Numbered Discourses 10.196

19. The Noble Path

Principles That Should Be Made Much Of

“I will teach you the principle to make much of and the principle not to make much of. … And what is the principle not to make much of? Killing living creatures … wrong view. This is called the principle not to make much of.

And what is the principle to make much of? Not killing living creatures … right view. This is called the principle to make much of.”
